## The Plückhahn Family Krefeld Branch

This Plückhahn family branch starts with Fritz who was born in 1865. These photos were taken about 1900 in front of the Krefeld House (Gerberstr 61). The Fritz Plückhahn family business was founded in 1899 in this house. It still runs today.

We are still learning about this interesting family business.

I want to thank Mark and Anita for sending in the outline of the **Krefeld Branch**.
